ESSAY SECTION

The essays should be written in your own words and voice, without the use of generative artificial intelligence (AI), including ChatGPT or Google Gemini.

Please be sure to adhere to the word requirements listed for each essay. Each essay should be 2-5 paragraphs long and thoughtfully written. We suggest planning the points you would like to cover before beginning, proofreading carefully, and having someone else (like a teacher or guidance counselor) read through it before submitting.

3. What are your educational and career goals? Why are they important to you? Please write between 150-300 words. *Limit your answer to 300 words maximum.*

4. In which of the following ways have you or are you currently experiencing homelessness?

(Check all that apply)

- ☐ In a shelter
- ☐ Doubled-up with friends or family
- ☐ On the street, in a car, or other public place
- ☐ Other: _____

Please tell us about your experience of being homeless, including the circumstances, how long you were homeless, and its impact on you as a student and a person. Please share only what you feel comfortable sharing. You are not obligated to share any traumatic, personal, or private information. *Please write between 300-600 words. Limit your answer to 600 words maximum.*

5. Is there a person or organization that was especially helpful to you during your period of homelessness? If so, please tell us briefly who that was and why. *Limit your answer to 200 words maximum.*

6. Have you filed your completed FAFSA application? Yes No

If not, please explain. Please mention if you cannot apply for FAFSA because of your immigration status. Reminder: regardless of immigration status, students can apply for CCH Scholarship Program.

7. Are you a CCH youth leader or former CCH Law Project client? Yes No

If yes, please explain. *Limit your answer to 100 words.*

☐ I confirm to the best of my knowledge that the information on this application is true and accurate.

☐ I confirm that the responses above were written by myself, and no generative artificial intelligence (AI) was used in this application.
