

How to **VOTE** if you are experiencing homelessness

Election Day is Tuesday, November 3

All U.S. citizens age 18 or older living in Illinois have the right to vote, even if they do not have a permanent address. If you are experiencing homelessness – whether you are living on the street, in a shelter, or doubled-up with others – you are still eligible to register and vote!

You can register anytime between now and Election Day!

THREE WAYS TO REGISTER:

ONLINE:

If you have a valid driver's license or state ID, register at **ova.elections.il.gov**. It's okay if you no longer live at the address on your ID! (Deadline: October 18)

IN-PERSON:

For in-person registration, you are required to provide two forms of identification, including one that shows proof of residence or a mailing address.

If you are experiencing homelessness, a letter from a drop-in center, shelter, or the person in whose home you are living doubled up is one acceptable form of ID. Make sure the letter states that you have permission to use that address to register to vote.

You still have the right to vote even if you have a misdemeanor or felony on your record.
